HONORING ARMY MASTER
SERGEANT MITTMAN

HON. DAN BURTON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 29, 2010

Mr. BURTON of Indiana. Madam Speaker, today I rise to celebrate and honor the service of Army Master Sergeant Jeffrey Mittman for receiving the Osborne A. "Oz" Day AbilityOne Awareness Award. The prestigious "Oz" Award is presented by the Committee for Purchase from People Who Are Blind or Severely Disabled to an employee at a federal agency who demonstrates exceptional service promoting the AbilityOne Program throughout the federal, state and local communities.

Now, the National Account Manager for the National Industries for the Blind's Midwest Region, Master Sergeant Mittman supports a mission of employment for others with disabilities by promoting the AbilityOne Program through the federal procurement process in Indiana's 5th Congressional District. This patriot's story is a remarkable one, for his story does not start nor finish here with this award.

Master Sergeant Mittman's indefatigable commitment to serve his fellow Americans began as a soldier in the United States Army in 1989. Having fought in Operation Desert Storm, Operation Desert Shield, Operation Enduring Freedom, and in 2003, Operation Iraqi Freedom, Master Sergeant Mittman was the All-American hero who never turned down defending his country. It wasn't till his return to Iraq in 2005 as a special advisor to the Iraqi Department of the Interior that he came face to face with death changing his life forever.

Tragically, an improvised explosive device exploded near his vehicle in Iraq, leaving Master Sergeant Mittman without a nose, lips, most of his teeth, and the majority of his vision. Since that time, he has endured more than 40 operations and spent over four years recovering physically and emotionally. To his great credit, he has traveled the country sharing the lessons he learned from these experiences with the world.

He is noted for saying it is the veteran who has to take that very first step to recovering and that he realized this after attending the Blinded Veterans Association Conference in 2006, where he met people who were blinded years ago who are now attorneys, teachers and business executives. After realizing life can be good in spite of having a disability, he decided to help others who also have disabilities find jobs and lead meaningful lives.

Master Sergeant Mittman, a 40-year-old decorated warrior, husband of 17 years, father of two and outspoken military veteran was and forever will be an All-American hero whose determination and selflessness continue to serve our country and inspire our hearts. Today, we salute you.
